

JAI NIRESH J

Software Developer Trainee/Intern

I am writing to express my strong interest in the Software Developer Trainee/Intern position at Microcosmworks Llp. With my 2 years of experience as an SDE-1 at Mr. Cooper, I possess a solid foundation in the technologies you are seeking, including Node.js, MongoDB, and Java. I am eager to further my skills in areas such as Python, React, and React Native, and I am confident I can make a significant contribution to your team.

My experience at Mr. Cooper has allowed me to develop a strong understanding of full-stack development, including building and deploying web applications using Node.js and Spring Boot. I am proficient in database technologies such as MongoDB and have a proven track record of solving complex technical challenges. I am particularly drawn to your company's focus on [mention specific area of Microcosmworks Llp that aligns with your interests].

I am a highly motivated and results-oriented individual with excellent communication and collaboration skills. I am eager to learn new technologies and contribute to innovative projects. I am confident that I have the skills and dedication to excel in this role and become a valuable asset to your team.
